As many of you are aware, our swap meet is coming up. This is a very important fund raiser for our club. We need volunteers to handle admissions, vender organization, set up and tear down, and final cleanup. Any help will be greatly appreciated. If you would like to volunteer please attend the next meeting.

We would also like to thank Ted Salmon for his donation to the club in appreciation for the numerous upgrades we have made to the field.

The Cabin Fever Copter fly in has been rescheduled for Saturday, February 20th.
